Insurance in South America - Market Summary, Competitive Analysis and Forecast to 2025

SUMMARY

Insurance in South America industry profile provides top-line qualitative and quantitative summary information including: market size (value 2016-20, and forecast to 2025). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

KEY HIGHLIGHTS

The insurance market consists of the non-life and life insurance sectors. The value of the market is shown in terms of gross premium incomes.

The South American insurance market had total gross written premiums of \$88.3bn in 2020, representing a compound annual growth rate (CAGR) of 5.1% between 2016 and 2020.

The non-life Insurance segment was the market's most lucrative in 2020, with total gross written premiums of \$45.4bn, equivalent to 51.4% of the market's overall value.

Consumer confidence has plummeted in 2020 due to the uncertainty brought about by the pandemic, whilst many consumers' incomes have taken a hit due to the closure of businesses and industries under nationwide lockdown

restrictions. This has restricted consumers' ability to invest in insurance plans, causing the market to suffer.
