SUMMARY

Hotels & Motels in Israel industry profile provides top-line qualitative and quantitative summary information including: market size (value and volume 2017-21, and forecast to 2026). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

KEY HIGHLIGHTS

The hotels & motels industry consists of establishments that provide paid lodging and full guest services, typically with a continuous staff presence. In the case of motels, this includes off-street parking facilities, but not necessarily meal services. The industry is detailed in both value and volume terms.

The Israeli hotels & motels industry had total revenues of \$2.1 billion in 2021, representing a negative compound annual rate of change (CARC) of 11.9% between 2016 and 2021.

Industry consumption volume increased with a CAGR of 1.7% between 2016 and 2021, to reach a total of 422 establishments in 2021.

The Israeli domestic tourism industry has reached a saturation level. Hence, the Israeli Ministry of Tourism is focusing on boosting the international arrivals

across the country and has set an ambitious target of welcoming over 10 million tourists in the next 5 years, which is more than twice the figures recorded in 2019.
