Abstracts

Management and Marketing Consultancy in Germany

SUMMARY

Management and Marketing Consultancy in Germany industry profile provides top-line qualitative and quantitative summary information including: market size (value 2015-19, and forecast to 2024). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

KEY HIGHLIGHTS

The value of the management and marketing consultancy market in this report has been calculated as the total revenues received for the provision of corporate strategy services, operations management services, information technology solutions, human resource management services and outsourcing services. The other segment includes any revenue accrued through any other service within this industry, i.e. finance and risk services, sales and marketing services.

The German management and marketing consultancy market had total revenues of \$39,626.3m in 2019, representing a compound annual growth rate (CAGR) of 6.9% between 2015 and 2019.

The operations management segment was the market's most lucrative in 2019, with total revenues of \$16,246.8m, equivalent to 41% of the market's overall value.

With 15,400 consultancy companies based in Germany and around 130,000 employed in the country's consultancy market, Germany is by far the largest

consultancy market within Europe.
