### SUMMARY

Media in Turkey industry profile provides top-line qualitative and quantitative summary information including: market size (value 2014-18, and forecast to 2023). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

### KEY HIGHLIGHTS

The media industry consists of the advertising, broadcasting & cable TV, publishing, and movies & entertainment markets.

The Turkish media industry had total revenues of \$3.3bn in 2018, representing a compound annual rate of change (CARC) of -5.6% between 2014 and 2018.

The publishing segment was the industry's most lucrative in 2018, with total revenues of \$1.6bn, equivalent to 50.5% of the industry's overall value.

The media industry was affected by wider economic decline in 2017 following a failed political coup the previous year, which also resulted in closures of various newspapers and publishing houses. The industry is now tentatively recovering.
