Support sales activities by understanding your customers' businesses better.

Stay up to date on North American Tungsten Corporation Ltd.'s business structure, strategy and prospects.

## **KEY HIGHLIGHTS**

North American Tungsten Corporation Ltd. (NATC) is a mining company. The company carries out acquisition, exploration and development of tungsten mineral properties and production of tungsten concentrate and related products. The company owns the Mactung mineral property in the Yukon Territory; the Cantung mine located in the Nahanni area of western Northwest Territories; and other tungsten exploration projects. Its Mactung Property is one of the world's largest known undeveloped high grade tungsten-skarn deposits. The company's tungsten concentrates are used in a range of products including jet turbine engines, high-speed cutting tools, electronic circuitry and surgical instruments. NATC is headquartered in Vancouver, British Columbia, Canada.
