Abstracts

Oglethorpe Power Corporation %li%Strategy, SWOT and Corporate Finance Report

Summary

Oglethorpe Power Corporation %li%Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Oglethorpe Power Corporation (OPC or "the company") is an electric membership corporation that is involved in providing wholesale electric power to retail electric distribution cooperative members. The company provides wholesale electric power to various Electric Membership Corporations (EMCs). It also provides financial and management services to Green Power EMC. The members of the company are local consumer-owned distribution cooperatives that provide retail electric service on a not-for-profit basis. These members primarily serve residential, commercial, and industrial consumers within specific geographic areas. The company provides electric service through long-term, take-or-pay wholesale power contracts. The company operates a diverse portfolio of generation units powered by nuclear, gas, coal, oil, and water. It primarily operates in US. The company is headquartered in Tucker, Georgia, the US.
