Abstracts

OMV AG %li%Strategy, SWOT and Corporate Finance Report

Summary

OMV AG %li%Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

OMV AG (OMV or 'the company') is an integrated oil and gas company active in the upstream and downstream business. The company explores, produces, refines, and markets petrochemicals, gas and power. It also produces gasoline, diesel fuels and natural gas among others. OMV operates refineries in Austria, Germany and Romania and gas pipeline network in Austria. The company processes crude oil into petroleum products and sells it to private and commercial customers. The distribution of oil and gas is partially affected by an own operated filling station network in Central and Southeastern Europe, the Middle east and via the filling station network in Turkey. The company primarily operates in Europe, the Middle East and Africa, and the Asia-Pacific. The company is headquartered in Vienna, Austria.
