Pet Healthcare in Scandinavia - Market Summary, Competitive Analysis and Forecast to 2024

### SUMMARY

Pet Healthcare in Scandinavia industry profile provides top-line qualitative and quantitative summary information including: market size (value and volume 2015-19, and forecast to 2024). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

### KEY HIGHLIGHTS

The pet healthcare market consists of the retail sale of pet supplements, worming treatments, external parasite treatments, grooming products and other pet healthcare products. The market is valued according to retail selling price (RSP) and includes any applicable taxes. All currency conversions used in the creation of this report have been calculated using constant annual average 2019 exchange rates. In the distribution channel breakdown, the 'other specialist retailers' channel refers specifically to specialist pet stores.

The Scandinavian pet healthcare market had total revenues of \$162.2m in 2019, representing a compound annual growth rate (CAGR) of 3.5% between 2015 and 2019.

Market consumption volume increased with a CAGR of 2.2% between 2015 and 2019, to reach a total of 20 million units in 2019.

Due to the increasing perception of pets as family members and owners' rising expenditure on these animals, market growth was healthy during the review period.
