## Abstracts

PNC Wealth Management %li%Strategy, SWOT and Corporate Finance Report

### Summary

PNC Wealth Management %li%Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

### Key Highlights

PNC Wealth Management (PNC WM) is an asset management arm of The PNC Financial Services Group Inc. It offers wealth strategy, investment management, trust management and estate services, and private banking. The wealth strategy includes insurance solutions, philanthropy, tax planning, wealth transfer, risk management, and business succession planning. Investment management provides mutual funds, exchange-traded funds, separately managed accounts, limited partnerships, structured notes, individual stocks and bonds, and alternative investments. Trust and estate services contain estate settlement, custody, asset protection, and directed trust planning. Private banking comprises cash management, deposits, home financing lending, consumer lending, and specialized lending. The bank serves high and ultra-high-net-worth individuals, wealthy families, and corporate clients across the country through a network of branch offices, wealth advisers, and online portals. PNC WM is headquartered in Pittsburgh, Pennsylvania, US
