PNM Resources, Inc. Company Profile and SWOT Analysis

Summary

PNM Resources, Inc. Company Profile and SWOT Analysis, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

PNM Resources, Inc. (PNMR or 'the company') is an investor-owned holding company, along with two regulated utilities, engaged in generation, transmission, and distribution of electricity. The company is also involved in wholesale marketing of electricity and other related electricity services. It produces electricity from coal, natural gas, nuclear, solar, wind, and geothermal sources through long-term power purchase agreements. The company conducts its business operations primarily in the US. It also owns and leases office and other equipment, office space, vehicles, and real estate. PNMR serves various residential, commercial, industrial, economy service providers, and other electricity resellers in New Mexico and Texas. The company is headquartered in Albuquerque, New Mexico, the US.
