### SUMMARY

Online Retail in Portugal industry profile provides top-line qualitative and quantitative summary information including: market share, market size (value and volume 2016-21, and forecast to 2026). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

### KEY HIGHLIGHTS

The online retail market includes all sales within Clothing & Footwear, Electricals, Food & Grocery, Health & Beauty, Home and Other (Books, News & Stationery, Jewelry & Watches, Luggage & Leather Goods, Music, Video & Entertainment Software, Sports & Leisure Equipment and others) segments, provided they take place over the internet, where the payment does not occur in-store on a later occasion. Data is included irrespective of whether the vendor is a pure-play internet company or the online offering of a bricks and mortar retailer. Online specialists retailers include sell only via the internet. Other online retail is a sell done online by retailers that also operate via offline channels (in-store, mail order, direct selling, etc.)

The Portuguese online retail market had total revenues of \$4,157.9m in 2021, representing a compound annual growth rate (CAGR) of 18.2% between 2017 and 2021.

Online Specialists account for the largest proportion of sales in the Portuguese online retail market in 2021, sales through this channel generated \$2,611.2m, equivalent to 62.8% of the market's overall value.

The pandemic has transformed the way consumers shop as they are increasingly switching online channels for purchases due to social distancing rules and closure of brick-and-mortar stores. Wary consumers prefer to stay home to avoid social contact, making online purchasing even more appealing.
