## Abstracts

PT PAL Indonesia - Strategy, SWOT and Corporate Finance Report

### SUMMARY

PT PAL Indonesia - Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

### KEY HIGHLIGHTS

PT PAL Indonesia (PAL) designs and builds ships for commercial and military purposes. The company manufactures naval and merchant ships and components. The major products of the company include fishing vessels, fast patrol boats, tugboats and anchor handling tugs; ferries and passenger ships, and landing platform docks. The company also offers repair and maintenance services for ships and repair for electronics and armaments along with overhauling services for submarines. It offers general engineering products such as steam turbine assemblies, compressor modules, pressure vessels, generator stator frame and heat exchangers. The company principally serves government institutions such as the National Defense Department, the National Police Force, Finance Department, Customs and Excise Directorate General and various Regional Autonomy authorities, private enterprises and the Marine Department. PAL is headquartered in Surabaya, Indonesia.
