The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

KEY HIGHLIGHTS

The hotels & motels industry consists of establishments that provide paid lodging and full guest services, typically with a continuous staff presence. In the case of motels, this includes off-street parking facilities, but not necessarily meal services. The industry is detailed in both value and volume terms.

The Russian hotels & motels industry had total revenues of \$13 billion in 2021, representing a negative compound annual rate of change (CARC) of 3.9% between 2016 and 2021.

Industry consumption volume increased with a compound annual growth rate (CAGR) of 5.9% between 2016 and 2021, to reach a total of 20,495 establishments in 2021.

The Russia invasion of Ukraine is expected to affect the country's hotels &

motels industry. Several players have either halted the openings of new properties in the nation or are withdrawing their operations from the country.
