Abstracts

Semiconductor Manufacturing International Corporation %li%Company Profile and SWOT Analysis

Summary

Semiconductor Manufacturing International Corporation %li%Company Profile and SWOT Analysis, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Semiconductor Manufacturing International Corporation (SMIC or 'the company') provides semiconductor foundries and technology services. The company is involved in designing, manufacturing, testing, packaging, and trading of integrated circuits, IP support, photomask manufacturing, and other semiconductor services. It operates wafer fabrication facilities for advanced nodes in Beijing, Tianjin and Shenzhen and bumping facility in Jiangyin. The company markets its product in different industries like communications, consumer electronics, computing and others and has marketing and sales offices in the Americas,, Europe, Japan, and Taiwan. SMIC has business presence across the Asia, Europe, and the Americas. The company is headquartered in Shanghai City, Shanghai, China.

Scope

Detailed information on Semiconductor Manufacturing International Corporation

required for business and competitor intelligence needs

A study of the major internal and external factors affecting Semiconductor Manufacturing International Corporation in the form of a SWOT analysis

An in-depth view of the business model of Semiconductor Manufacturing International Corporation including a breakdown and examination of key business segments

Intelligence on Semiconductor Manufacturing International Corporation's mergers and acquisitions (MandA), strategic partnerships and alliances, capital raising, private equity transactions, and financial and legal advisors

News about Semiconductor Manufacturing International Corporation, such as business expansion, restructuring, and contract wins

Large number of easy-to-grasp charts and graphs that present important data and key trends

Reasons to Buy

Gain understanding of Semiconductor Manufacturing International Corporation and the factors that influence its strategies.

Track strategic initiatives of the company and latest corporate news and actions.

Assess Semiconductor Manufacturing International Corporation as a prospective partner, vendor or supplier.

Support sales activities by understanding your customers' businesses better.

Stay up to date on Semiconductor Manufacturing International Corporation's business structure, strategy and prospects.
