Abstracts

Skanska AB %li%Strategy, SWOT and Corporate Finance Report

Summary

Skanska AB %li%Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Skanska AB (Skanska or 'the company') is a project development and construction company. Skanska carries out construction and renovation activities of buildings, infrastructure, and residences. The company initiates, develops, and invests in residential projects for subsequent divestment, primarily to individual consumers. Skanska also initiates, develops, invests in, leases and divests commercial property projects such as office space, shopping malls and logistics properties. It also develops, invests and manages privately financed infrastructure projects, such as roads, hospitals, schools and power plants. Skanska operates across Europe, North America, and Latin America. The company is headquartered in Stockholm, Sweden.
