Abstracts

Smiths Detection Group Ltd %li%Strategy, SWOT and Corporate Finance Report

Summary

Smiths Detection Group Ltd %li%Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Smiths Detection Group Ltd (Smiths Detection), a subsidiary of Smiths Group plc, is a provider of sensors and technologies that detect and identify weapons, explosives, biohazards, chemical agents, narcotics, contraband and nuclear and radioactive material. The company provides fully integrated systems that include bio-detection and identification, meteorological measurement, protective shelters and mobile security checkpoints. Its products and solutions find applications in ports and borders, global transportation, military, critical infrastructure and emergency responder sectors. Smiths Detection's major customers include homeland security authorities, emergency responders, customs authorities and military agencies across the globe. The company operates manufacturing facilities across France, Germany, Malaysia, the UK, and the US. It sells its products and solutions through direct sales and third-party distributors worldwide. Smiths Detection is headquartered in Hemel Hempstead, England, the UK.
