Sports Equipment Retail in Italy

Summary

Sports Equipment Retail in Italy industry profile provides top-line qualitative and quantitative summary information including: market share, market size (value and volume 2018-23, and forecast to 2028). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

Key Highlights

The sports equipment retail market includes ball sports equipment, adventure sports equipment, fishing equipment, golf equipment, racket sports equipment, winter sports equipment, specialist footwear, and all other dedicated sports equipment. It includes non-motorized bicycles and their accessories. The market value represents the retail sales.

The Italian sports equipment retail market had total revenues of \$2.9 billion in 2023, representing a compound annual growth rate (CAGR) of -1.3% between 2018 and 2023.

The sports equipment segment accounted for the market's largest proportion in 2023, with total revenues of \$2.9 billion, equivalent to 100% of the market's overall value.

The Italian sports equipment market has become increasingly saturated, with intense competition among sellers. This saturation has hindered many

enterprises' growth prospects since the market has failed to absorb new entrants and products.
