Sports Equipment Retail in the United Kingdom

Summary

Sports Equipment Retail in the United Kingdom industry profile provides top-line qualitative and quantitative summary information including: market size (value 2018-23, and forecast to 2028). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

Key Highlights

The sports equipment retail market includes ball sports equipment, adventure sports equipment, fishing equipment, golf equipment, racket sports equipment, winter sports equipment, specialist footwear, and all other dedicated sports equipment. It includes non-motorized bicycles and their accessories. The market value represents the retail sales.

The UK sports equipment retail market had total revenues of \$6.1 billion in 2023, representing a compound annual growth rate (CAGR) of 1.7% between 2018 and 2023.

The sports equipment segment accounted for the market's largest proportion in 2023, with total revenues of \$6.1 billion, equivalent to 100% of the market's overall value.

The saturation of online and physical retailers offering identical products made it harder for businesses to continue prior growth rates, resulting in a drop in overall market value in 2023.
