Telecommunication Services Global Group of Eight (G8) Industry Guide_2017

Summary

The G8 Telecommunication Services industry profile provides top-line qualitative and quantitative summary information including: market share, market size (value and volume 2012-16, and forecast to 2021). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

Essential resource for top-line data and analysis covering the G8 telecommunication services market. Includes market size and segmentation data, textual and graphical analysis of market growth trends and leading companies.

The G8 countries contributed \$626,531.0 million in 2016 to the global telecommunication services industry, with a compound annual growth rate (CAGR) of -4.3% between 2012 and 2016. The G8 countries are expected to reach a value of \$691,278.2 million in 2021, with a CAGR of 2% over the 2016-21 period.

Among the G8 nations, the US is the leading country in the telecommunication services industry, with market revenues of \$308,426.0 million in 2016. This was followed by Japan and the UK, with a value of \$120,485.4 and \$46,369.6 million, respectively.

The US is expected to lead the telecommunication services industry in the G8

nations with a value of \$335,922.4 million in 2016, followed by Japan and the UK with expected values of \$133,544.0 and \$51,195.4 million, respectively.

Scope

Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the G8 telecommunication services market

Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the G8 telecommunication services market

Leading company profiles reveal details of key telecommunication services market players' G8 operations and financial performance

Add weight to presentations and pitches by understanding the future growth prospects of the G8 telecommunication services market with five year forecasts by both value and volume

Compares data from the US, Canada, Germany, France, UK, Italy, Russia and Japan, alongside individual chapters on each country

Reasons to buy

What was the size of the G8 telecommunication services market by value in 2016?

What will be the size of the G8 telecommunication services market in 2021?

What factors are affecting the strength of competition in the G8 telecommunication services market?

How has the market performed over the last five years?

Who are the top competitors in the G8 telecommunication services market?
