Abstracts

Telenet Group Holding NV %li%Company Profile and SWOT Analysis

Summary

Telenet Group Holding NV %li%Company Profile and SWOT Analysis, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Telenet Group Holding NV (Telenet or "the company") provides media and telecommunications services. The company's service offerings include enhanced video services, such as high-definition ("HD"), pay television, and video-on-demand ("VOD"), along with high-speed broadband internet, and fixed-line and mobile telephony services. These offerings cater to residential subscribers residing within Telenet's network area. Telenet conveniently bundles its services into packages, allowing subscribers to purchase video, broadband internet, and telephony services from a single provider at an appealing discounted rate. Operating under the "BASE" brand, Telenet extends its services to include mobile telephony for both residential and business customers throughout Belgium. It also delivers voice and data services, along with value-added solutions such as cloud, hosting, and security services, to small and large businesses in Belgium and certain areas of Luxembourg. The company is headquartered in Mechelen, Belgium.
