## Abstracts

Tennessee Valley Authority %li%Company Profile and SWOT Analysis

### Summary

Tennessee Valley Authority %li%Company Profile and SWOT Analysis, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

### Key Highlights

Tennessee Valley Authority (TVA or “the company”) provides electricity for business customers and local power companies. It sells power to municipalities and cooperatives, federal agencies, and large industrial customers. TVA supplies power to most of Tennessee, northern Alabama, northeastern Mississippi, and southwestern Kentucky and in portions of northern Georgia, western North Carolina, and southwestern Virginia. The company manages the Tennessee River and its tributaries, and shorelines to provide year-round navigation, flood damage reduction, and affordable and reliable electricity. It also manages the river system to provide recreational opportunities, adequate water supply, improved water quality, natural resource protection, and economic development. The company is headquartered in Knoxville, Tennessee, the US.
