Abstracts

Thames Water Utilities Ltd %li%Strategy, SWOT and Corporate Finance Report

Summary

Thames Water Utilities Ltd %li%Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

Key Highlights

Thames Water Utilities Ltd (Thames Water), a subsidiary of Thames Water Utilities Holdings Ltd is a provider of water and wastewater services. It sources, stores, treats and distributes water, and collects and treats wastewater and disposes that into water cycle. The company abstracts water from rivers, groundwater sources and aquifers; and collects and treats waste water and returns that to nature. Thames Water produces electricity from sludge treatment, wind and solar sources for its internal use. It also offers property services such as estate management, facilities management, buying land and easements for business, town planning, buildings maintenance, and business rates management. The company serves retailers, business customers, new appointments and variations and third party customers across London and the Thames Valley. Thames Water is headquartered in Reading, Berkshire, the UK.
