KEY HIGHLIGHTS

TNT Express UK (TNT) is a business to business express delivery company. The company delivers parcels, documents and pieces of freight. It offers time-critical services, freight services, express import, intercontinental solutions, industry solutions and campaigns. TNT provides on-line services which include shipments books, calculate rate and delivery time, shipment tracking, tracing and invoices. It also offers crown commercial services, digital record management, offshore business process outsourcing and mailroom management. It also offers addition services such as covering total cost of shipment against any possible risk, custom clearing services, speeding up the import process, handling hazardous materials, CO2 services, paper based invoice and notes and special goods transport. TNT is headquartered in Warwickshire, England, the UK.

In September 2015, the company opened a facility in Swindon to provide services to and from South West and improve the delivery services of 467,000 businesses.
