## Abstracts

Transport and Logistics - Asia-Pacific Industry Leaders: Top 15 Company Financials Chartbooks

### SUMMARY

In recent years technological innovation has revolutionized almost all markets and industries. This combined with growing political uncertainty, slumps in consumer demand and shifting growth rates in developing economies has thrust many industries and markets into a brave new world.

### KEY HIGHLIGHTS

The Asia-Pacific transport & logistics market has performed poorly in recent years, due primarily to weakening consumer demand and a major oversupply problem in 2015 and 2016.

In the future, market growth is expected to accelerate slightly.

Nippon Yusen leads the Asia-Pacific market, generating approximately \$20bn in revenues in 2016.

### SCOPE

Details market value and revenue growth rates, both historically and forecast.

Identifies the largest and most important companies in the market.

Compares the growth, in revenue and net profits, of each company over time.

Reviews how successfully each company utilizes its employees.

Considers share prices and their relative fluctuation over time.

Provides a breakdown of each company's performance, reviewing revenue, profit, share prices and the most recent quarterly performance.
