Transport and Logistics - Global Industry Leaders: Top 10 Company Financials Chartbooks

SUMMARY

In recent years technological innovation has revolutionized almost all markets and industries. This combined with growing political uncertainty, slumps in consumer demand and shifting growth rates in developing economies has thrust many industries and markets into a brave new world.

KEY HIGHLIGHTS

The global transport & logistics market has performed poorly in recent years, due primarily to weakening consumer demand and a major oversupply problem in 2015 and 2016.

In the future, market growth is expected to accelerate slightly.

Kuehne + Nagel leads the global market, generating approximately \$15bn in revenues in 2016.

SCOPE

Details market value and revenue growth rates, both historically and forecast.

Identifies the largest and most important companies in the market.

Compares the growth, in revenue and net profits, of each company over time.

Reviews how successfully each company utilizes its employees.

Considers share prices and their relative fluctuation over time.

Provides a breakdown of each company's performance, reviewing revenue, profit, share prices and the most recent quarterly performance.
