Vulcan Materials Company - Strategy, SWOT and Corporate Finance Report

SUMMARY

Vulcan Materials Company - Strategy, SWOT and Corporate Finance Report, is a source of comprehensive company data and information. The report covers the company's structure, operation, SWOT analysis, product and service offerings and corporate actions, providing a 360° view of the company.

KEY HIGHLIGHTS

Vulcan Materials Company (Vulcan or “the company”) is a producer of construction aggregates including crushed stone, sand and gravel and other construction materials including asphalt and ready-mixed concrete. The company also offers a variety of other products and services including asphalt paving materials; ready-mixed concrete; railroad ballast and other track materials; agricultural, chemical and industrial materials; recycled materials; inert materials acceptance; and technical services. The construction aggregates provided by the company are used for building roads and non-residential properties. The company distributes its products by truck to local markets or by rail, barge or oceangoing vessel to remote markets. It primarily operates in the US, Mexico and the Bahamas. Vulcan is headquartered in Birmingham, Alabama, the US.
