Abstracts

Waste Management Global Group of Eight (G8) Industry Guide 2017

SUMMARY

The G8 Waste Management industry profile provides top-line qualitative and quantitative summary information including: market size (value and volume 2012-16, and forecast to 2021). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

SYNOPSIS

Essential resource for top-line data and analysis covering the G8 waste management market. Includes market size data, textual and graphical analysis of market growth trends and leading companies.

KEY HIGHLIGHTS

The G8 countries contributed \$57,370.2 million in 2016 to the global waste management industry, with a compound annual growth rate (CAGR) of 1.1% between 2012 and 2016. The G8 countries are expected to reach a value of \$59,642.2 million in 2021, with a CAGR of 0.8% over the 2016-21 period.

Among the G8 nations, Japan is the leading country in the waste management industry, with market revenues of \$17,663.0 million in 2016. This was followed by the US and Germany, with a value of \$12,755.2 and \$8,242.4 million, respectively.

Japan is expected to lead the waste management industry in the G8 nations with a value of \$18,030.9 million in 2016, followed by the US and Germany with expected values of \$13,977.3 and \$8,383.1 million, respectively.

SCOPE

Save time carrying out entry-level research by identifying the size, growth, and leading players in the G8 waste management market

Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the G8 waste management market

Leading company profiles reveal details of key waste management market players' G8 operations and financial performance

Add weight to presentations and pitches by understanding the future growth prospects of the G8 waste management market with five year forecasts by both value and volume

Compares data from the US, Canada, Germany, France, UK, Italy, Russia and Japan, alongside individual chapters on each country

REASONS TO BUY

What was the size of the G8 waste management market by value in 2016?

What will be the size of the G8 waste management market in 2021?

What factors are affecting the strength of competition in the G8 waste management market?

How has the market performed over the last five years?

How large is the G8 waste management market in relation to its regional counterparts?
