Wireless Telecommunication Services Global Industry Guide 2019-2028

Summary

Global Wireless Telecommunication Services industry profile provides top-line qualitative and quantitative summary information including: market share, market size (value and volume 2018-23, and forecast to 2028). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

Key Highlights

The wireless telecommunications services market includes cellular (mobile) phones, pagers, and any other wireless or cellular telecommunication service. Market values represent revenues based on payments to operators of all of these services for subscriptions and usage. Market volumes refer to the total number of subscriptions for each of these services. Market shares are in terms of subscription volumes. Regional market shares are at a parent company level.

All market data and forecasts are adjusted for inflation and all currency conversions used in the creation of this report have been calculated using yearly annual average exchange rates.

The global wireless telecommunication services market recorded revenues of \$749.6 billion in 2023, representing a compound annual growth rate (CAGR) of 0.1% between 2018 and 2023.

Market consumption volume increased with a CAGR of 3.3% between 2018 and 2023, reaching a total of 7,799.8 million subscriptions in 2023.

The growth of the global wireless telecommunication services market can also be attributed to the increase in mobile penetration in the region. For instance, according to GlobalData analysis based on information from the World Bank, mobile penetration in the US stood at 111.5 per 100 people in 2023, an increase of 1% from the previous year.

Scope

Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the global wireless telecommunication services market

Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the global wireless telecommunication services market

Leading company profiles reveal details of key wireless telecommunication services market players' global operations and financial performance

Add weight to presentations and pitches by understanding the future growth prospects of the global wireless telecommunication services market with five year forecasts by both value and volume

Reasons to Buy

What was the size of the global wireless telecommunication services market by value in 2023?

What will be the size of the global wireless telecommunication services market in 2028?

What factors are affecting the strength of competition in the global wireless telecommunication services market?

How has the market performed over the last five years?

Who are the top competitors in the global wireless telecommunication services market?
