Abstracts

MBD'S UK fitted kitchen furniture market research report has been segmented into two sectors, namely rigid kitchen furniture and self-assembly or flatpack kitchen furniture.

Coverage includes retail and contract sectors. This report contains information on the market size and trends, regional and seasonality of sales, imports, exports, industry structure and demand structure. Please note that production is based on wooden fitted kitchen units, as wood is the predominant material used in kitchen furniture. Trade data does not report on any other materials used in fitted kitchen furniture.

The report is updated to combine the up-to-date development and trends with the latest data available on the kitchens market in the UK.

Subjects Covered:

- Distribution of Fitted Kitchen Furniture
- Fitted Kitchen Furniture
- Flatpack Kitchen Furniture
