UK Private Healthcare Market Development Report

Date:	January 1, 2011
Pages:	79
Price:	US\$ 1,135.00
ID:	UA6F274F918EN

This MBD UK private health market research report covers the private healthcare sector comprising the provision of healthcare services through private hospitals and clinics, and the private medical insurance sector that is so important to the financing of private medical care.

An overview of a number of industry players is also provided, including a five year financial analysis as well as a set of key financial ratios. The report does not attempt to provide a comprehensive list of the leading companies, but reviews a representative sample of the different types of companies operating in the sector in order to provide benchmarking opportunities of relevance to a variety of readers. However the report does provide market share information on the key players in the private medical insurance sector.

This updated report identifies independent hospitals and clinics, market size, segmentation, shares, etc in an easily readable format, analysing five year historical data together with five year forecasts.
