Abstracts

The UK public expenditure on housing research report analyses the historic and forecast levels of public spending in the housing sector in the UK. The report covers expenditure on local authority housing, and other social housing and housing services. The report analyses trends over a five year historical and a detailed five year forecast period. The report includes an analysis of capital and current investment and includes regional comparisons of spending.

The report is updated to combine the up-to-date development and trends with the latest data available on the housing related public expenditure in the UK.
