## Abstracts

### About

The report brings to your attention profound analysis of ethyl acetate market in Egypt. Historical, present and future volumes and trends are covered. Experts' opinions and estimations are provided.

there are no production facilities of ethyl acetate in Egypt and demand is met by imports with India, China and Saudi Arabia being the main suppliers

paints and coatings industry is the main ethyl acetate end-use and the main market driver; other applications of ethyl acetate include printing industry, cosmetics, food and other applications

ethyl acetate consumption will go up at CAGR of 3% following the general trends of downstream sectors

there are no announcements about new ETAC capacity introductions in Egypt, so import volumes will grow along with demand

Egypt ethyl acetate market report key points:

demand structure, consumption trends

consumers

prices

market forecast

downstream markets
