## Abstracts

### About

The report brings to your attention profound analysis of fluorspar market in South Africa. Historical, present and future trends are covered. Experts' opinions and estimations are provided.

South Africa is the fourth largest producer of fluorspar; in the country only Vergenoeg fluorspar mine is currently in operation

in addition to the producing mine several fluorspar projects are being developed

fluorspar is consumed locally mainly in the production of fluorochemicals by the only manufacturer in South Africa – Pelchem; metallurgical grade fluorspar is used by local steelmakers

both production and consumption of fluorspar in South Africa are expected to grow; production growth will prevail demand increase rates

### South Africa Fluorspar market report key points:

data on reserves, deposits

production
