## Abstracts

### About

The report brings to your attention profound analysis of ammonium nitrate market in USA. Historical, present and future volumes and trends are covered. Experts' opinions and estimations are provided.

in the USA ammonium nitrate (AN) is manufactured by several companies among which are PCS Nitrogen Fertilizer, LSB Industries, Inc., Dyno Nobel, Inc., etc.

in the USA ammonium nitrate is applied mainly as a fertilizer which accounts for more than half of total consumption; ammonium nitrate is also employed in certain industrial and construction applications as an explosive

due to dangerous handling and safety reasons, ammonium nitrate share in USA market will decline in favor to urea, although the AN market volume is expected to grow as consumers switch to calcium-ammonium nitrate or urea ammonium nitrate solutions and new UAN capacities are planned for launch

what concerns application as civil explosive, the demand will also be increasing at slow pace; coal mining, metals mining sectors will probably decline, but the situation will be slightly balanced by expected growth in quarries and construction
