## Abstracts

### About

The report brings to your attention profound analysis of melamine market in USA. Historical, present and future volumes and trends are covered. Experts' opinions and estimations are provided.

the USA demand for melamine is driven by demand for melamine resins

the USA resin manufacturing industry is highly consolidated; there are a few major consumers of melamine resin, including board manufacturers, foam producers, and molding compound producers

melamine demand has not change significantly in recent years

Cornerstone Chemical Company is the only manufacturer of melamine in the USA

the USA melamine demand is foreseen to grow at moderate rates driven by residential construction and automobile industry

Cornerstone Chemical Company will continue to be the sole manufacturer in the USA, but its share in supplying domestic market will go down and import volumes have to be increased
