North America Natural Sausage Casings Market - Opportunity Analysis and Industry Forecast (2018-2025)

The research report titled “North America Natural Sausage Casings Market - Opportunity Analysis and Industry Forecast (2018-2025)” provides in-depth analysis of natural sausage casings market in three major geographies and emphasizes on the current market trends, size, share, recent developments, and forecast till 2025. North America natural sausage casings market is expected to reach \$1,016.63 million by 2025, at a CAGR of 3.0% during the forecast period of 2018 to 2025.

The growth of this market is mainly attributed to the increasing population, urbanization, meat production, and meat consumption across the North America; consumer preference to natural casings over artificial casings; and rising number of fast food restaurant chains. In addition, emerging economies such as Mexico provides significant opportunity for the various stakeholders in this market. However, factors such as increasing preference to artificial casings by sausage manufactures and casings manufactures’ shift from natural casings to artificial casings due to operational challenges is expected to hinder the growth of this market to some extent. On the other hand, health concerns and animal diseases are the key challenges in this market.

The study offers a comprehensive analysis of natural sausage casings market with respect to various sources. The North America natural sausage casings market is segmented by source into hog, beef, sheep, and others.

Geographically, this market is segmented into the U.S., Canada, and Mexico. The U.S.

dominated the North America natural sausage casings market mainly attributed to the rising fast food restaurants, increasing meat expenditure and meat consumption, growing demand for convenience food products, and rising demand of high protein foods.

The key players operating in the North America natural sausage casings market are Amjadi GmbH (Germany), Peter Gelhard Naturd?rme KG (Germany), World Casing Corporation (U.S.), Natural Casing Company Inc.
