Abstracts

Following the announcement of its investment in iPass Corporation, LINE PAY claimed to roll out new services around summer this year. In late March, there were rumors LINE PAY planned to sell its stakes in order to set up a pure-play online bank. These moves are to heat up competition in Taiwan's mobile payment market. This report analyzes the benefits and challenges of these two companies' cooperation while providing insight into the future development of the Taiwanese mobile payment market.

Contents

1. BACKGROUND AND CURRENT STATUS

2. BENEFITS OF THE COOPERATION
