Abstracts

Seasoning is the process of adding pepper, salt, herbs, and other spices to food to provide aroma, flavor, and color to it. Cajun seasoning is a special blend of all natural spices and seasonings to have a spicy southern Cajun food taste. They are also designed for the specific cooking type with hot, mild as well as salt-free taste to accommodate health-conscious culinary supporters. Many common Cajun seasonings are derived from French motivations, however, the Spanish effect is undoubtedly in the heat factor which is found in many seasonings.
