Abstracts

Frozen foods are rapidly gaining acceptance across the globe, boosting the prospects of the global chilled soup market. Manufacturers are racing to cater to this demand by unveiling frozen confectioneries, yogurts and other snacks. A number of companies in the global chilled soup market have come out with fruit-flavored soups to encourage their consumption as a healthy and tasty snack. The companies have positioned drinkable chilled soup as a form of cold press, sweet tasting soup. Consumers seem to have different preferences though, and they seek out vegetable or even savory options in order to reduce their sugar intake.
