Abstracts

Compressed tablet towel also known as miniature towel is a fiber towel which is reduced into a smaller shape and size, making it easy to carry and use. When water is added over a tablet the towel expands and regains its original shape. Most commonly the towel's size after expanding could be 30*30 cm. This towel is ecofriendly and disposable and usually made of cotton. Compressed tablet towels are used in hotels, restaurants, beauty salons, cafes, etc. It is expected that the compressed tablet towel market will witness growth during the forecast period.
