Abstracts

Convenience stores are small physical retail stores located near residential areas or virtual stores that provide online shopping. They are mainly engaged in instant commodities or services, and their first purpose is to meet convenience needs. Convenience store retail adopts self-selected shopping mode to sell instant commodities, which is an important part of the retail industry. They also provide boxed rice, steamed buns, kanto boiled, sandwiches, as well as homemade bento, milk tea and coffee that need to be heated.
