Abstracts

Cuff sealer is a low outgassing polyethylene film that will remove cleanly without leaving adhesive residue. Excellent peel/reseal properties, combined with easy-tear perforations, make this tape ideal for strapping, labeling and sealing. Acrylic adhesive makes this tape an ultra-low outgassing seal for cleanrooms. Tape is available in 1/2', 3/4', 1', 2', and 3' widths and all 18 yards long. Perforated tape can be written on with a pen or permanent marker.
