Abstracts

Domestic Courier, Express, and Parcel is a way to make consumers quickly purchase goods through online purchase through logistics. At present, this industry is developing rapidly with the increasing demand for online shopping. Traditionally the focus of CEP companies was to provide services to the B2B sector. CEP services were synonymous with catering to Urgent Orders, High Value Low Volume goods, Time sensitive and Perishable goods. Many companies focused on delivering through CEP companies to cut down on transit times and cater to the rising demand of JIT supplies wherein more frequent but less volume of supplies were required.
