Abstracts

Eyelash enhancing serum is a unique formula with lash enhancement, conditioning, moisturizing, and strengthening ingredients that collaboratively works to support and improve the overall appearance of eyelashes. A plenty of temporary lash-lengthening options are available in the market such as mascara and false eyelashes, which are available in the market, but there has been an influx of eyelash serums in stores that promise to strengthen and grow those tiny hairs. These eyelash enhancers have become increasingly popular due to their effective functional feature that turns drab, sparse, and brittle eyelashes into attractive and long eyelashes by the simple process of applying serums to the eyelash area.
