Abstracts

The Global Distribution System is also referred to as the Global Electronic System or the GDS in the Travel and Hospitality sector. Having GDS integration connects buyers, providers and suppliers. The travel industry is ever expanding and has witnessed a rise in thousands of buyers (travel agents, corporates) and providers (hotels, resorts, airlines, car rental companies, etc.). Buyers and providers work together to compete and deliver services to the ultimate consumer i.e. the traveler. It's necessary to automate the transactions for speedier results and an increase in revenue.
