Abstracts

Human Resource (HR) agencies offer a wide range of onsite and offsite HR services to businesses, including payroll services, benefit administration services, and HR consulting solutions. Typically, smaller businesses that may not have in-house HR departments outsource work to these agencies. Larger companies often utilize consulting solutions offered by HR agencies to improve productivity within their internal departments. The services offered by HR agencies vary. Larger firms can offer a wide range of services and serve as a complete outsourced HR department for businesses. Other firms are highly specialized and may only offer services in specific areas.
