Abstracts

International PEO (Professional Employer Organization) is a flexible employment solution that enables businesses to employ workers in a foreign country, bypassing the need to first establish a legal entity before operating in that market. International PEO service providers support companies looking to expand their operations globally. They help companies gain a legal presence in foreign locations without having to establish their own legal entity and take on the associated risks. International PEO providers can assist with a company's global hiring, HR, benefits, payroll, taxes, and compliance needs, among other needs.

Employer of Record (EOR) is an alternative payroll solution often provided by staffing companies. And they become a full legal employer of the payroll employee. The EOR handles timekeeping, payroll, compliance, benefits, unemployment claims, worker's comp, etc.
