Abstracts

Metaverse Real Estate is actually a part of the virtual space in Metaverse.

After owning these virtual spaces or Metaverse real estate, you can build and decorate them, open shopping malls, use them as museums to display virtual collections, or rent them out. From this point of view, in addition to being unable to live in it, the 'real estate' of Metaverse seems to have most of the attributes of real estate in the real world, which can be bought and sold, leased, developed, and constructed.
