## Abstracts

Recruitment (hiring) is a core function of human resource management. Recruitment refers to the process of finding and hiring the best-qualified candidate (from within or outside of an organization) for a job opening, in a timely and cost effective manner. The recruitment process includes analyzing the requirements of a job, attracting employees to that job, screening and selecting applicants, hiring, and integrating the new employee to the organization. Internet-based technologies to support all aspects of recruitment have become widespread.
