## Abstracts

Second-hand books or second-hand books refer to books previously claimed by anyone other than the distributor or retailer. Buying second-hand books is a good practice and helps not to waste resources overall.

Nowadays, buyers can choose to buy second-hand books online, which makes it more advantageous to find second-hand books, thereby reducing the cost of pursuit. In addition, customers can also choose to rent books instead of buying new books, which will help the second-hand book market grow in the near future.
